

TRIPLE-DIAMOND WARRANTY

(2008 Model Year New Vehicle Limited Warranty)

The Triple-Diamond Warranty is your assurance that every FUSO truck is built to the highest standards of quality control by skilled craftsmen in one of the world's most technologically advanced truck manufacturing plants to give you years of reliable, economical performance.

36 Months/Unlimited Mileage Basic Coverage

For the first 36 months from the Warranty Start Date, regardless of mileage, any originally installed component of the truck (excluding tires, optional Allison transmission, custom rear bodies and accessories) which proves to be defective in material or workmanship, under normal use and maintenance, will be repaired or replaced by an Authorized FUSO Dealer or Parts & Service Center at no charge for parts and labor.

60 Months/Unlimited Mileage Frame Coverage

Upon expiration of the 36 months/unlimited mileage Basic Coverage of the New Vehicle Limited Warranty, the frame of the truck (except FG8) continues to be covered, up to a maximum of 60 months from the Warranty Start Date, regardless of mileage.

48 Months/Unlimited Mileage Anti-Corrosion Perforation Coverage

For the first 48 months from the Warranty Start Date, regardless of mileage, any cab sheet metal panel which is found to have developed perforation (metal rust-through), under normal use and maintenance, will be repaired or replaced at no charge for parts and labor.

FE/FG - 60 Months/175,000 Mi (280,000 Km)

FK/FM - 60 Months/250,000 Mi (400,000 Km)

Powertrain Coverage

Upon expiration of the 36 months/unlimited mileage Basic Coverage of the New Vehicle Limited Warranty, powertrain components of your truck continue to be covered, up to a maximum of 60 months from the Warranty Start Date, or 175,000 miles (280,000 Km) [FE/FG]/250,000 miles (400,000 Km) [FK/FM], whichever occurs first. Powertrain components are defined as: engine, automatic transmission (FE only), manual transmission, transfer case (FG only), front axle housing and differential assembly (FG only), rear axle and propeller shafts, excluding gaskets, o-rings, oil seals and axle shafts.

FE/FG - 60 Months/50,000 Mi (80,000 Km)*

FK/FM - 60 Months/100,000 Mi (160,000 Km)

Emissions Control System Coverage

For the first 60 months from the Warranty Start Date, or 50,000 to 100,000 miles (80,000 to 160,000 Km)*, whichever occurs first, any component covered by the MFTA Emissions Control System Defect Warranty that proves to be defective in material or workmanship, will be repaired or replaced at no charge for parts and labor.

* FE/FG models sold in states that have adopted CARB emissions regulations - 60 months/100,000 miles (160,000 Km).
